Enter to learn; Go forth to serve

Kia ora Whaanau

Welcome back to another exciting year at Huntly West School! We hope you had a restful break and are ready to embark on a journey of learning and growth with us once again.

With having two new talented teachers working with our seniors this year, it has allowed me the opportunity to act in the role as a walking Deputy Principal. Working alongside Whaea Margs in the office and helping to drive our new curriculum 'Te Mataiaho'.

The summer weather is upon us, which means it's crucial for our SunSmart school policy to be in full effect. We kindly ask that all students stay hydrated, and take regular shade breaks to protect themselves from the sun's heat. It is expected that every child wears a wide-brimmed hat during our break times – No hat, no play!

We are working hard to have our eftpos and phone line available as soon as possible. We appreciate your willingness to being organised at the beginning of the year, please bear with us for another week or two.

We are eager and committed to work with you and your tamaiti this year, fostering a supportive and inclusive learning environment where they can thrive academically, socially, and emotionally. Together, let's make this school year a memorable and enriching experience for everyone.

MEET THE TEACHER AFTERNOON

Thank you to all the whanau who came along to our meet the teacher afternoon. A big shout out to Matua Carlos Williams, our contracting caretaker who took the time to cook our kai for the kids and whanau. It was lovely catching up with all our new and returning families to Huntly West. If you couldn't make it, feel free to drop in to say hello to your child's teacher. We look forward to meeting you.
