**Term One Week Five
Friday 28th February 2025**

Kia ora koutou whanau,

In Te Whare Aroha we have been busy rebuilding relationships and making new friends. For our inquiry this term we are learning about Partnership. Part of the journey is learning how we can show partnership in our classroom, so as a class we talked about what partnership looks like, and wrote about our understanding with added art. Over the past few weeks, we have been working hard on our writing, and comprehension skills. These workings are displayed on the wall, which each of us enjoys sharing.

Thank you whanau for your wonderful support and encouragement as your child engages in their learning.
