Ka nui te mihi kia koutou katoa, greetings from the children from Te Whare Toa (House of Strength) and Matua Arthur, A special welcome to all our new students and families joining us at Huntly West School this year, nau mai, haere mai, whakatau mai ra.

Our goal for the year is to build a strong learning and caring environment based on respect for each other, our different uniqueness, facing challenges by giving things a go and to try our personal best.

To achieve our personal best, regular attendance is crucial, school stationery and equipment to do the work is important and support with homework is a must. Building a good working partnership between school and families is a vital component for children to succeed. Have a great and safe weekend.

Naku noa Matua Arthur Rhind.
