

Huntly West School

Term 1: Week 4

Friday 24th February, 2023

Pride Value: Respect and Excellence * **Golden Rule:** 'We value each other' and 'We work hard'

Kia ora koutou

What a great term we are having despite the weather, with all the learning opportunities taking place around the school, and in the rooms.

As a school we could not be prouder of our students, they have started their year off displaying; determination, discipline, and dedication to achieve goals they have set for themselves. Huntly West School would also like to encourage all whanau to continue to support their tamaiti and their learning. We appreciate your support.

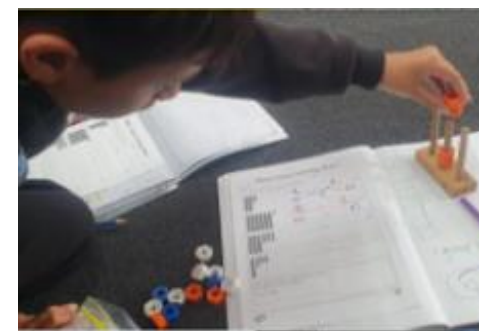

Just a friendly reminder the school will be finishing at 12.30 pm on Friday 3rd March for the teachers' paid union meeting. Please make arrangements for your child to be picked up and supervised at home in the afternoon.

As you all already know whanau, we are a sun smart kura and our students are required to wear a hat with a wide brim when we are outside.

I wish you all a safe and warm weekend, remember to keep warm during this season. We look forward to the return of our tamariki on Monday morning ready for more powerful learning.
Whaea Char

Te Whare Toa have been enjoying their exploration in learning.
Writing: WALT plan and describe an imaginary magical chalk character.
Maths: WALT know the value of tens and ones.
