

Huntly West School

Term 1: Week 7
Friday 17th March 2023

Pride Value: Respect and Excellence * **Golden Rule:** 'We value each other' and 'We work hard'

Ka nui te mihi kia koutou katoa, greetings from the children from Te Whare Wairua and Matua Arthur.

A special welcome to all our new students and families joining us at Huntly West School this year, nau mai, haere mai, whakatau mai ra.

Our goal for the year is to build a strong learning environment based on respect for each other, facing challenges by giving things a go, and to try our personal best.

To achieve our personal best, regular attendance is crucial, school stationery and equipment to do the work is important, and support with homework is a must. Building a good working partnership between school and families is a vital component for children to succeed. Naku noa Matua Arthur Rhind.

Kotahitanga

We are learning to complete a set goal by contributing to and working together.

The children working together on paper mache of a fish representing different learning styles, working out strategies, and having fun to complete different balloon challenges.

Self Portrait Art: We are learning about spatial awareness– an awareness of the position of our picture in relationship to the space on the paper.
