

Week Eight Term One Friday 24th March 2023

Kia ora Koutou, Talofa Lava, Malo e Lelei

Here we are at the other end of Term One! We have had, as you can imagine, a very busy term; starting from getting to know one another and setting goals to giving service to our class, school, and community.

The biggest message from us for this year is the urgency for regular attendance, and support for learning from home. Our data and student achievement through academics can only get better with at least these two ingredients.

We therefore invite whanau to come in and **Meet our Teachers** on **Wednesday 5 April from 2:45-4:00 pm**. Teachers will have some resources for you to support learning over the holiday period. Our wonderful Board of Trustees may also be popping in to say hello to welcome you to the 2023 year of learning.

We look forward to seeing you all there!
