Tena koutou katoa, greetings to you all from Te Whare Wairua and Matua Arthur.  
We are all busy revisiting classroom routines and schoolwide expectations, and, introducing topics and themes that we have planned for this term, such as; music from different time periods, gymnastics, winter sports, Matariiki celebrations to the different moon phase and how it effects people and the environment.

We would like to remind everyone about the importance of regular attendance. Our teachers are happy to discuss your child/ ren's progress or any concerns you have.

**School Gates** open at **8.15am** everyday to let children into school grounds therefore please ensure your child/ren are not arriving before this time. There are no teachers on duty before this as we are all preparing for our day of learning.

Have an enjoyable and safe weekend with your children. Remember to be kind to each other.
